NTU IRB Discussion & Vote Meeting for Student Presentations made 4-22-2022

Undergraduate & Graduate Student Research Proposals

Committee Meeting 4/25/2022 started at 4:30pm

In attendance:

Sheena Begay, Dr. Palmer Netongo, Dr. Peter Romine, Dr. Franklin Sage, Dr. Jennifer Wheeler
The Board discussed the research proposal presentations made by the 8 students on Friday 4/22/2022 covering the following topics:

1. Human Subject Research using surveys and interviews of the research participants.
2. Human Subject Research using Human Blood or Saliva.
3. Animal Research using materials collected from live animals.
4. Research using Butchured Animal Products purchased from retail grocery and food.

Five members present, six required for quorum.

Dr. Wheeler made a motion to:

- “Approve the research proposals of the 8 students with the faculty mentor responsible for providing oversight of the research to protect the human participants and the animal subjects and to obtain permission to have IHS staff collect the Human Blood and Saliva.
- Sheena seconded the motion.
- The NTU IRB will have discussion and vote through email on 4/26/2022.
