

Submitting a Paper to NetTutor

Getting Started

To begin, select the option to “Drop off Your Paper for Review”.

Page 1: Name Your Paper and Describe Your Assignment

On the first page of the paper form, give your paper a name and describe the assignment and/or how our writing tutors can help. If English isn't your primary language, you can let our tutors know by selecting the “English is not my primary language” option. When you're ready to continue, select the “Next” button.

On the next page, identify two areas you want the tutor to focus on, the citation style used, the type of paper, and if applicable, a required paper length. Once you are ready to continue, click the “Next” button.

The screenshot shows the 'File' section of a software interface. At the top, there are four tabs: 'Basic Information', 'Format', 'File', and 'Complete!'. The 'File' tab is currently selected. Below the tabs, there is a section titled 'Select two areas of feedback.' with a list of checkboxes. Two checkboxes are checked: 'Focus/Thesis Statement' and 'Organization'. Below this, there are two dropdown menus: 'Style' set to 'APA' and 'Type' set to 'Research'. Underneath, there is a 'Required Length' section with a text input field containing '7' and a dropdown menu set to 'Pages'. At the bottom, there are two buttons: '< Previous' and '> Next'.

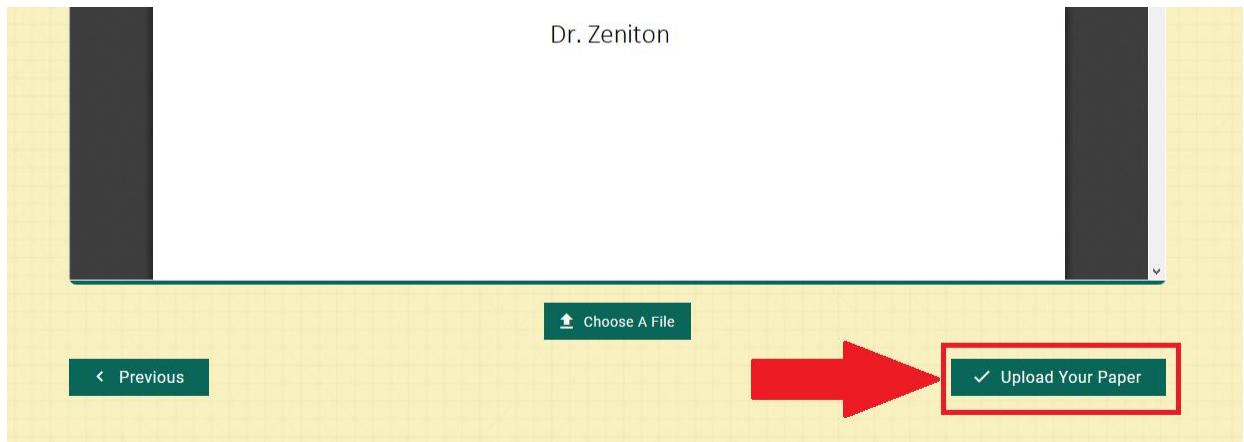

Page 3: Choose Your File

To select the document you want reviewed, either drag and drop the file to the “Drop Your File Here” region or use the “Choose A File” button to choose the file.
